Exhumation Licences

I am directed by the Minister for the Environment to state that applications for exhumation licences under Section 46 of the Local Government (Sanitary Services) Act, 1948 should in future be accompanied by death certificates in respect of the persons whose remains are to be exhumed.

The application form has accordingly been revised and several copies of the revised form are enclosed. A copy of the Department's revised standard letter to applicants for licences is enclosed for your information.

Mise, le meas,

J. Killane,
Assistant Principal Officer.
Environmental Services Section.

To each Sanitary Authority.
