Subject: Email 7: Newspapers

Dear Nuala,

Sticking with Claire's research in national and regional newspapers, I attach a series of .pdfs containing articles that pick up on various aspects of State interaction with the Laundries:

- i) Criminal Justice Act, 1960--a series of newspaper articles addressing the financial cost to the State in using the Sean MacDermott Street Magdalene as a remand home.

- ii) State Interaction, Miscellaneous--a series of newspapers articles referencing various forms of State interaction, e.g., the cost to the Ratepayers of supporting Magdalene institutions, calls for legislation to enable unmarried mothers be sent to Magdalen aslyums, etc.

- iii) The High Park Exhumations 1993, original Exhumation documents, contemporary (1993) and subsequent newspaper coverage (2003).

Best,

Jim
