Hi Claire, thanks for this.

I'm just a bit worried about time if we do it that way - if we send letters to you, for you to forward on, with post etc it would realistically be 2 weeks at least before the message would reach them. That could leave us in the position of running out of time to actually meet them before the end of our work!

As a faster alternative, could you phone them to ask if they are happy to talk to us again? You could then pass on their contact details to me (if they agree) or mine to them (if they would rather do it that way)?

Let me know what you think.

All the best,

Nuala

Dear Claire,

I hope all's well with you and that you are enjoying the course at UCD.

Just a quick email for the moment - Martin would like to arrange another meeting in the near future with women, from all groups, who spent time in a Magdalen Laundry.

Would it be possible for you to put me in touch with the women who are in contact with JFM so that I can suggest and arrange this?

Thanks in advance and all the best,

Nuala
